

# I'M A DOCUMENT.

You can easily add your own PDF, Word, Excel, and other documents. Just follow our steps below.

---

## **Create your own pdf and then:**

1. In the editor, click on the image or button you want to use.
  2. Click on "Link to" and choose "Document".
  3. Click on "Choose File", then click on "Upload Media", then upload your document and click "Done".
- 

You can see how your users will see your link in Preview Mode
